ADDENDUM 2

1. The Airport Drive Roadway Curve Improvement Project has been put on hold. Scheduled advertisement is expected in mid 2020.
2. Light Pole Relocation: Original bid form item 7 has been deleted. Danville Utilities will relocate the pole prior to project start.
3. The City will provide the asphalt millings. The Contractor is responsible to load and transport the milling using the Contractor's equipment.
4. The City will disconnect services for relocations.
5. Five (5) water/gas valves will need to be adjusted. See revised bid form, line number 7.
6. Fire Hydrant relocation. See attached "Typical Hydrant Assembly Installation" detail. Note: the fire hydrant valve will not be relocated, but will need to be adjusted to trail grade.
7. "Does the reference to balanced mean there will be no import/export?" Yes
"Disposal of topsoil on site?" Yes
8. "VDOT CG-9D shows 6" of aggregate base. Does the sidewalk require stone base as well?" *4" of VDOT 21A shall be placed underneath the sidewalk. Stone quantities have been increased under line item 15.*
9. "Will the Contractor need to provide a price for testing completed?" Yes. Refer to page 48 of the specifications. See revised bid form, line item 19.
10. Red Maple October Glory Tree shall be 2.0" caliper.

DIVISION I – CONTRACTOR'S BID PROPOSAL**BID PROPOSAL****DANVILLE AIRPORT DRIVE – NORTHSIDE MULTI-USE TRAIL EXTENSION****IFB 19-20-066**

The undersigned, as Bidder, hereby declares that he or she and their associates are the only person or persons interested in the proposal as principal or principals; that this proposal is made without connection with any other person, company, or parties making a bid or proposal; and that it is in all respects fair and good faith without collusion or fraud.

The Bidder further declares that they have examined the site of the work and informed themselves fully in regard to all conditions pertaining to the place where the work is to be done; that they have examined the specifications for the work and contractual documents relative thereto and have read all special provisions furnished prior to the bid opening; that they have satisfied themselves relative to the work to be performed, and materials and equipment to be furnished.

The Bidder proposes and agrees, if this proposal is accepted, to contract with the City of Danville, Virginia in the form of contract specified, to furnish all necessary materials, equipment, machinery, tools, apparatus, means of transportation, and labor necessary to perform in full and complete the requirements of the specifications and contract documents, to the full and entire satisfaction of the City of Danville, Virginia with definite understanding that no money will be allowed for extra work except as set forth in the attached General Conditions and Contract Documents: set opposite the several items that follow:

Note: Bid Item List is provided for comparison purposes only and may not be all inclusive of the work depicted in the contract documents. The bidder is responsible for estimating all quantities associated with the bid.

TOTAL BID					\$

The Bidder further agrees that:

1. The City, in protecting its best interest, reserves the right to reject any or all bids or waive any defects in favor of the City. Any changes, erasures, deletions in the unit or lump sum prices above, modifications in the bid form, or alternate proposals not specified in the bid proposal shall make the proposal irregular and subject to rejection.
2. All quantities listed above are estimates only and the City reserves the right to raise, lower, or eliminate any quantity or item and in any case the unit or lump sum prices shall be used in determining partial or final payment.
3. If awarded the contract, to execute and deliver to the City within ten (10) consecutive calendar days after their receipt of the contract documents, a satisfactory Performance Bond and Labor & Material Bond, as required, in the amount of one hundred percent (100%) of the contract amount along with the signed agreement.
4. In case of failure on their part to execute the said agreement within ten (10) consecutive calendar days after receipt of the contract documents, the monies payable by the Security accompanying this bid shall be paid to the City of Danville, Virginia, as liquidated damages for such failure; otherwise, the Security accompanying this bid shall be returned to the Bidder.
5. The work under this contract shall commence no later than five (5) consecutive calendar days after the date of a written Notice To Proceed is given by the City to the Contractor and shall be completed within the number of days or by the fixed date stipulated in the contract for each phase of the work.
6. The Contractor shall be subject to liquidated damages to be assessed in accordance with the Specifications for each day the work is incomplete past the contract number of days or fixed date of completion for each phase of work. The Bidder, if awarded the Contract, waives any defense as to the validity of any liquidated damages stated in the Contract or assessed by the City on the grounds that such liquidated damages are void as penalties or are not reasonably related to actual damages.
7. This bid is subject to acceptance within a period of ninety (90) days from this date.

Enclosed herewith on EJCDC Form C-430 is the following Security, offered as evidence that the undersigned will enter into agreement for the execution and completion of the work in accordance with the drawings and specifications.
